

**STATE PLAN OF ACTION
PROJECT PLAN FOR FOCUS IMPLEMENTATION
AND
CALENDAR OF ACTIVITIES FOR THE YEAR 2018-19**

INTRODUCTION;

The experience has been that the National Plan of Action have helped not only streamline the activities of the Legal Services Authority but also to step-up their activities. Though much remains to be done, there is no gain saying that, the legal Services activities have expanded manifold and has most certainly shifted from the conventional legal assistance in the Courts, to assistance to access to justice, that phrase meaning more than mere access to courts or even to dispute resolution.

All this has happened on account of the NALSA's Scheme for Legal Services to Disaster Victims through Legal Services Authorities, Scheme of Para-Legal Volunteers (PLVs) and the NALSA's (Legal Aid Clinics) Scheme, 2010. The holding of legal literacy classes in Schools and Colleges have helped in not only encouraging the students to learn about the law but also to contribute to society by bringing to the notice of the Authorities concerned, of any violation of legal rights or avoidance of duties.

With the setting up of ADR Centres there is need to strengthen the ADR mechanism and streamline activities in the ADR Centres. However, people approaching the courts for redressal of their rights is a healthy trend and must be encouraged. Simultaneously, therefore, the legal assistance rendered in the Courts must be upgraded in terms of quality.

On an action taken reports on the Plan and Calendar of Activities, it appears that the J&K State Legal Services Authority needs to gear up a little more in the implementation of the NALSA's Schemes and Regulations in the year 2018-19. In this background, the State Legal Services Authority Plans to implement the following Schemes during the financial year 2018-19.

1. A scheme for Legal Services to Disaster Victims through Legal Services Authorities.

National Legal Services Authority has framed a comprehensive Scheme for providing legal services to the victims of disasters through the District Legal Services Authorities. The Scheme provides for strategic intervention by the Legal Services Authorities for ensuring immediate help to the victims, co-ordinating the activities of different government departments and NGO's for bringing relief measures, enabling the victims to get the benefits of the different beneficial measures and amounts of solatium announced by the Government, restoration of lost records like title deeds, identity cards, Certificates, passport etc., and for providing assistance to the victims in restoring their lost livelihood. The State Legal Services Authorities are expected to establish Core groups in all districts under the control of the District Legal Services Authorities to spring into action in the event of disasters- whether manmade or natural- much before the disasters strike.

2. Implementation of (Victims of Trafficking and Commercial Sexual Exploitation) Scheme, 2015.

Victims of trafficking for Commercial Sexual exploitation face a great deal of trauma not just following such trafficking but also after their rescue. They need to be protected against the traffickers who would want them to come back or not pursue their case. There are also

livelihood issues and if a viable alternative is not given, chances of being re-trafficked are high. The J&K Legal Services Authority intends to take following steps for implementation of the Scheme in the State.

- a) Provide legal assistance to the victims of trafficking and sexual exploitation at the time of rescue and thereafter during trial.
- b) Facilitate the accessing of the District Legal Services Authorities for award of Victim Compensation.
- c) To monitor and act as social auditors of the existing facilities available for rehabilitation of rescued victims of Sexual exploitation and trafficking.
- d) To organize awareness camps in the Community through the panel lawyers and para-legal volunteers about the issues of trafficking particularly in vulnerable areas and among vulnerable groups.
- e) The DLSAs can act as converging nodes to ensure that the government Schemes meant for the marginalized actually reach them as such access to the government support does have a positive impact in preventing trafficking and falling prey to traffickers.

3. Strengthening of the J&K Legal Services Authority (Legal Services to the Workers in the Un-organised Sector) Scheme, 2015

The distinguishing feature of the unorganized sector is non-applicability of most of the labour laws and other regulations providing for decent working conditions job security and social security to the workers. The unorganized Workers lack collective

bargaining power and are therefore susceptible to excessive exploitation. They work under poor working conditions and receive far lower wages/ remuneration as compared to the organized sector.

Majority of unorganized workers are employed in agriculture. Other major categories include construction workers in small enterprises, workers employed through contractors even in large enterprises, artisans/Craftsman, home based workers, workers depending upon forest produce, fisheries, self-employed workers like rickshaw pullers, auto drivers, Coolies etc. The legislations providing for social securities for old-age, health care and assistance in the event of death, marriage and accidents etc. The combined effect of the above factors is that many of them are generally, forced to lead an undignified and servile life.

The State Legal Services Authority proposes that the District Legal Services Authority may take steps for conducting surveys for identifying unorganized workers, Services of law Students and Para-legal Volunteers also can be availed of for conducting such Surveys. The survey should indicate whether the workers belonging to each category have made efforts to avail of the benefits of the Scheme / programme of the Government. Every effort shall be made to ensure that all deserving unorganized workers are brought to avail of the benefits. The SLSA are intends to organize awareness camps in collaboration with the labour

department at District / Tehsil level about different welfare schemes that are in vogue for un-organized workers in the State so as to reap the benefits of the Schemes.

4. Implementation of Child Friendly Legal Services to Children and their Protection Scheme, 2015.

The Children are amongst the most vulnerable sections in any society. They represent almost one third of the world's population and unless they are provided with proper opportunities, the opportunity of making them grow into responsible citizens of tomorrow will slip out of the hands of the present generation. It is our obligation to the young generation to open up all opportunities including the legal services for every child to unfold its personality and rise to its full stature, Physical, mental, moral and spiritual. The J&K SLSA intends to organize awareness camps at District/ Tehsil level about rights and privileges of Children and to inculcate values in children so that they become good citizens in future.

5. Implementation of Effective Implementation of Poverty Alleviation Schemes) Scheme, 2015.

The Legal Services Authorities Act, 1997 under scores that the legal services authorities are concerned with the weaker sections of the society and imposes a duty on them to ensure that opportunities for securing justice are

not denied to any citizen by reason of economic or other disabilities.

Very often intended beneficiaries of poverty alleviation and social security measures are unable to access the benefits due to severe lack of capabilities, social structures, economic marginalization, social values, cultural norms discrimination etc. In this context, the role of legal services authorities must be a proactive one where measures designed to alleviate poverty must be brought to the attention of the intended beneficiaries. J&K SLSA intends to hold awareness camps about poverty Alleviation Schemes at District & Tehsil Level for marginalized, poor and down trodden people.

6. Implementation (Legal Services to the Victim of Drug Abuse and Eradication of Drug Menace) Scheme 2015

It is an open secret that drugs have spread their dreaded tentacles on innocent children, adolescent, youth and women. The horrible dimension, which this menace has acquired, can be gauged from the average age of initiation of drugs which is as low as nine-ten years. The Legal Services Institutions have a significant role to play in supply and demand reduction and de-addiction and rehabilitation. J&K SLSA intends to hold awareness camps at District and Tehsil level in collaboration with education department, Police about the ill effects of drug abuse and how to eradicate drug menace in the State.

7. NALSA (Legal Services to Senior Citizens) Scheme, 2016.

In this Scheme ,the person above the age of 60 years would be regarded as Senior Citizens.

Despite the existance of various legal provisions and Schemes for Senior Citizens,their benefits have reached very few Senior Citizens,Often the senior citizens are unaware of their entitlements and/or they are in too destitute a condition to be able to access the said benefits.They are not only deprived of their properties but also subjected to all forms of abuse ripping them off their dignity as well .For the widows who are senior citizens or for the retired senior citizens, it often becomes a herculean task to get their pension and other benefits. The laws and the schemes lay down the entitlements of the senior citizens and if the senior citizens have any difficulty in availing their entitlements under the laws and the Schemes, it is felt by NALSA that Legal Services Institutions have a significant role to play and they can play a pivotal role in ensuring access to the benefits of the Schemes and the Legal Provisions to the Senior Citizens.

8. NALSA (Legal Services to Victims of Acid Attacks)Scheme,2016.

The Preamble of the Legal Services Authorities Act, emphasized that the Legal Services Authorities are concerned with the Weaker Sections of the society and imposes a duty on them to ensure that opportunities for securing justice are not denied to any citizen by reason

or economic or other disabilities. The main objectives of the Scheme are as follow:

- i. To strengthen legal aid and representation at the national, State, District and Tehsil levels for victims of acid attacks in availing the benefits of the various legal provisions and schemes for compensation which exist:
- ii. To enable the victims of acid attacks to get access to medical facilities and rehabilitative services:
- iii. To create and spread awareness about the entitlements of the victims of acid attacks through the District Legal Services Authorities, Tehsil Legal Services Committees, Panel Lawyers, Para Legal Volunteers and Legal Services Clinics:
- iv. To enhance capacities at all levels of panel lawyers, Para legal volunteers, volunteers in legal services clinics, Government officers tasked with the implementation of the various schemes, service providers, Police personnel, NGOs by organizing training, orientation and sensitization programmes; and
- v. The ultimate objective of the Scheme is to ensure that the Victims of acid attacks are appropriately rehabilitated in the society and live a life of dignity.

9. Strengthening of the Para-Legal Volunteers Scheme through enhanced training, mentoring and monitoring.

In the past year, a number of Para-Legal Volunteers (PLVs) have been trained. However, curriculum has been revised and fresh trainings will need to be imparted to make the PLVs more effective in their work. Strict monitoring of their activities is the need of the hour. At the same time mentoring and hand-holding would be necessary if the PLVs have to

establish themselves within the community as sources of help and solace to the community. The J&K SLSA intends to organize training programmes of PLVs at District head quarters to sanitize the PLVs about their role in spreading legal awareness in the State about the marginalized groups.

10. Encourage ADR methods of Lok Adalat, Mediation, Conciliation and Plea-bargaining.

Once the ADR Centres are established, there must be an emphasis on spreading awareness in the community about the various ADR methods and the benefits of non-adjudicatory methods of dispute resolution. Lok Adalats, Mediation, Conciliation and Plea-bargaining must be made familiar to the community at large. Thus, not only Civil matters but also compoundable and non-compoundable criminal cases which are of short of matrimonial disputes could be disposed off and to that extent the burden with the courts could be reduced. People should be encouraged to adopt the ADR methods before coming to the Court even at the pre-litigation stage, by reference to the Lok Adalat or Mediation or Conciliation. In this regard J&K SLSA intends to organize awareness camps to encourage people to resort to reconciliatory methods of adjudication.

Project for focus implementation for the year 2018-2019

J&K SLSA intends to continue the project plan for focus implementation i.e adopt awareness about, **“Child Labour” and Jail Lok Adalats** as projects for focus implementation for year 2018-2019.

What J&K SLSA intends to do:

J&K State Legal Services Authority intends to hold awareness campaigns about Child Labour . The Child Labour activities include seminars, poster campaigns, wall paintings, billboards and television commercials and short animations and video films. These seminars/campaigns shall be held at Tehsil and District level by Tehsil Legal Services Committee and District Legal Services Authority in collaboration with education and health department. T.V. Programme and Radio programme are also intended to be held in All India Radio and Doodarshan Kender Srinagar/ Jammu.

Introduction

Child Labour:

There are more than 12.6% million labour children in India including J&K State with a hope. They never have chance to go to school or enjoy the company of friends or relatives. These children can be found everywhere in Dhabas, sweeping in houses , exposed to hazardous chemicals and rolling in factories, selling aggarbatties, working in brick kilns, fields etc. They are children who have lost the chance of study, lost to hope for better life, lost a dream. Though the Child Friendly Services to

Children and their protection Scheme, 2015, the National Legal Services Authority aims to improve access to justice for Children. The main purpose of the scheme is to facilitate proper implementation of the existing legislations and policies in favour of children and to ensure effective legal assistance to children who come in conflict with the law or are in need of care and protection.

Holding of Jail Lok Adalats

District Legal Services Authorities/ Tehsil Legal Services Committees shall arrange to send the officers, para legal volunteers, panel lawyers etc to visit the jails, Observation Homes in the district and to collect the details and case numbers relating to the under-trial prisoners.
